# BEAVER CREEK WETLANDS ASSOCIATION

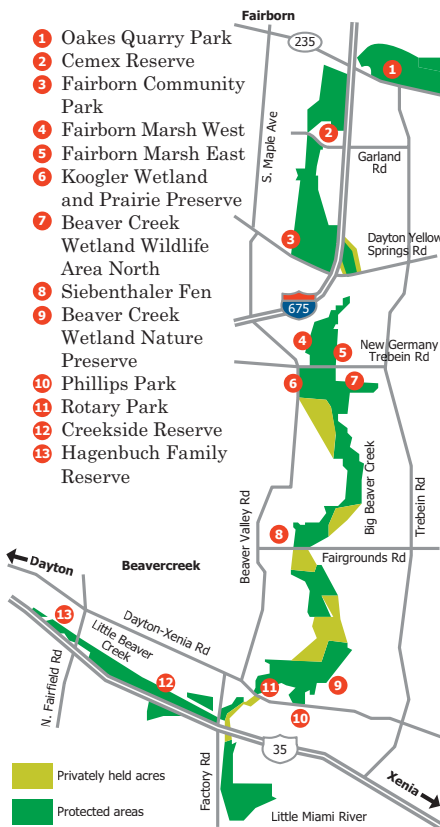

Founded in 1988, the Mission of the Beaver Creek Wetlands Association is to protect the wetland ecosystem in the Beaver Creek watershed through partnerships, community networks, and public education. Since then we have helped conserve over 1700 acres along the Big Beaver Creek and Little Beaver Creek in Greene County, Ohio.

## Spotted Turtle Society

Planned giving can result in tax savings and/or income to you, while leaving a legacy to preserve and protect our wetlands, now and forever. The BCWA Endowment Fund is a permanent savings plan to help protect wetlands for future generations.

The Fund accepts many types of planned, deferred, and outright gifts that can actually increase the value of your estate, enabling you to do more with what you leave for others.

Spotted Turtle Society membership includes anyone who has given to the BCWA Endowment Fund.

I would like to learn more about the many gift options that can help grow the Beaver Creek Wetlands Endowment Fund. Please contact me about planned giving.

I have already included BCWA in my estate planning. I would like to be recognized as a member of the Spotted Turtle Society.

I wish to make an outright gift payable to "BCWA Endowment Fund."
