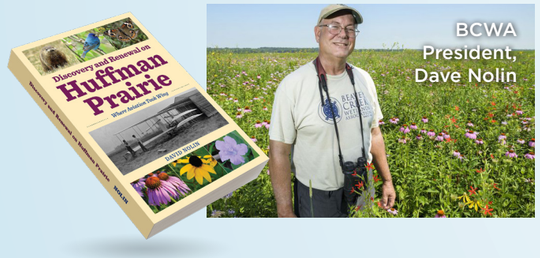
Individual Donor Levels

Whether you choose to help as a "Way Finder" or make a big splash as a "Bridge Builder" or "President's Circle" sponsor... Choose to make a difference.

Along with public agencies, volunteers and members, your contribution sustains us. We know recognition of your gift is not one of the main reasons for your donation, but we want to make our recognition of your support to this special cause equally special.

All major donors of $1,000 or above will receive recognition on our recently updated BCWA website as well as in our quarterly newsletter. Our Spotted Turtle Newsletter is read by more than 1,400 families in our community. In addition, donors will receive two t-shirts with our brand-new Spotted Turtle Trail logo, with a choice in size and color.



All major donors also receive a signed copy of *Discovery and Renewal on Huffman Prairie* written by our very own BCWA president, Dave Nolin. President's Circle, Bridge Builder and Trail Blazer level donations include an option for a guided tour of Huffman Prairie by Dave himself. Enjoy insights on the Wright Brothers' history and the recent restoration of this iconic site.

President's Circle level donors will be honored at the Ribbon Cutting ceremony and special President's Circle recognition celebration afterward.

President's Circle and Bridge Builder level donors will receive two high-quality North Face jackets embroidered with the Spotted Turtle Trail logo, with a choice in the size and color. These level donors will choose a unique piece of nature artwork from a collection created by local artists.

President's Circle, Bridge Builder and Trail Blazer level donors will enjoy seeing their names or the names of loved ones on these trail features. *Fancy your name on a bench, bridge or observation tower?* Our top three level donors will also receive special recognition at our BCWA annual meeting held in May.

Boardwalk Buddy level donors and above will be immortalized as a Spotted Turtle Trail sponsor on our beautiful trailhead sign. These donors will also receive a tour of the wetlands guided by one of our experts. BCWA has many former and current trustees and volunteers with exceptional knowledge of the wetlands.

Pride in making the Spotted Turtle Trail a reality is perhaps your most important reason for your gift. However, the Beaver Creek Wetlands Association and our partners want to show our gratitude for your contribution. So, we've created some fun ways to show you how much we appreciate your contribution.
